**Grower
Nursery Operations Asst. Mgr**

Assisted in the establishment of Container/Field Nursery-specializing in Palms, Tropical, And Native Plant Species. Collected and propagated many varieties of salt/ drought tolerant plant materials & seeds, which was then incorporated in the export and landscape divisions of the above mentioned "Agri-Services". Extensive experimentation was done at this facility to increase production and profitability.
Mr. Randy G. Naugle, owner

Proficient Growing and Crew Management
